News, Tips & Articles

Home 2 Idea

- 1. Light Theme (Dark color base #010C29)
- 2. Home Page is long and each section is clear to view.
- 3. Dark theme is relaxing user eye and user visit our website long time to search the job.

User Story

- 1. First user impress with slogan (Your Dream job at your Fingertips).
- 2. If user is seeker, he/she want to find job. So, we provide
- 3. search and category feature to find the job easily. 4. If Seeker or Employer don't search the job and scroll the next section. They will see the latest job
- 5. In this version (1), we will focus to get more seeker and employer, I want to highlight section to create CV or Profile.
- 6. Mosely myanmar people are family with desination. So we want to trust from users, I added this location image section.
- 7. In this version (1), we should provide training section for users. This section is user guide section.
- 8. Next news section can help the user's knowledge and latest news.

Next Step Idea

- 1. I will add ADS Section
- 2. Feedback and review section
- 3. trusted company section will go to top place
